KAU MOOC

Notice

The Centre for e-Learning, Kerala Agricultural University is inviting application for a Massive Open Online Course (MOOC) on ‘ശീതകാല പച്ചക്കറി കൃഷി (Cool Season Vegetables)’. The course is offered in Malayalam, free of cost. The classes are scheduled to begin on **3rd September 2026** and end on **22nd September 2026**. Interested participants can register up to 13th September 2026.

This online course with a duration of 20 days has 9 sessions. The participants can attend the course on the e-Learning platform available at ‘celkau.in’, utilizing around half to one hour per day. Certificates if required will be issued to those students who have successfully completed the course, upon payment of a nominal certificate fee.

Interested candidates can register for the course by following the instructions given below:

Stage I: For One time registration (If done previously please skip to stage II)

- 1) Click on the link <https://www.celkau.in/elearning/reg.php>
- 2) Provide the required information and click on the ‘Register here’ button. Now your one-time registration in the platform is complete.

Stage II: Follow the steps from 3 to 5 for course registration.

- 3) Login with your user-id by clicking the link, <https://celkau.in/elearning/index.php>.
- 4) Now, click the button ‘Enroll Now’ on the course ‘ശീതകാല പച്ചക്കറി കൃഷി (Cool Season Vegetables)’. You are now registered for the course.
- 5) From 3rd September 2026 onwards you can login and start the learning activities.

“All are cordially invited to participate in this MOOC programme”
